

REMARKS

Claim 12 has been amended to include the subject matter of claim 14 which has been canceled.

Claim 14 was rejected over the combination of Bawolek in view of Sakata.

The present application and the Bawolek patent were, at the time the invention of the present application was made, owned by Intel Corporation. Therefore, under Section 103(c), the rejection based on Bawolek is overcome and reconsideration is respectfully requested.

Respectfully submitted,

Date: April 16, 2007
